

Thank you for your interest in supporting Victim Witness Services (VWS) through third-party fundraising efforts. The funds you raise go a long way in helping us to fulfill our mission to provide compassionate support and resources to victims, witnesses, and survivors of crime and crisis through effective response and outreach.

In order to participate with another organization in fundraising activities or for a third party to fundraise on behalf of VWS, certain criteria must be met and approved by VWS. Please read and complete this form below.

After receiving your completed and signed form, VWS will decide whether or not the we (the agency) can be designated a beneficiary of your event or promotion. Unless and until VWS makes a final decision, and your organization and VWS have signed an agreement, your organization may not use VWS's name, logos or other branding in any solicitation, advertising, marketing or other publicity materials or in any way involve VWS in any fundraising activity or other event that your organization promotes or sponsors.
