

Victim Witness Services for Coconino County  
Ride-Along Form

---

A ride along with Flagstaff Police Department or Coconino County Sheriff's office is an opportunity to better understand what happens on law enforcement shifts, as well as the process in which an officer makes the decision to call VWS to the scene. This is an important part of Crisis Response with Victim Witness Services, because the better we understand the work of our community partners, the better we can serve our clients.

On your ride-along, please wear business-casual attire and close-toed shoes. You can expect to accompany the officer on calls to residences, the hospital, or public entities. If any trouble occurs while on-scene with an officer, stay in the car.

To schedule your ride-along, please bring this form to 911 E Sawmill and make an appointment with Dispatch. Someone will call you with a time and date for your scheduled ride-along.

Date of Ride-Along: \_\_\_\_\_

Volunteer name: \_\_\_\_\_

My signature verifies that \_\_\_\_\_ has completed the first responder "ride-along" component of the Victim Witness Services training. The ride along lasted approximately \_\_\_\_\_ clock hours.
